What is French Club?

The French Club at IU Bloomington provides an opportunity for those interested in speaking French and in exploring French and Francophone cultures to gather in a comfortable, welcoming environment. With this goal in mind, we offer several cultural events throughout both the Spring and Fall semesters that are completely free and open to anyone who is interested. New to French? No worries! We welcome all levels of French and encourage both new and returning students, instructors, and community members to join in the festivities.

While a list of our cultural events can be found to your left, that’s not all we have to offer! Starting on January 26th, we will also be hosting a French Conversation Table, where you can come to practice your French while enjoying a nice cup of coffee and a treat! The Conversation Table will meet from 5 - 6pm in Ballantine Hall, room 004. The dates for the conversation table are January 26; February 9, 23; March 9, 30; April 13.
