

F150 ONLINE CALENDAR - Fall 2017

In this class, we will be covering 5 chapters, which means roughly two weeks per chapter. As in the traditional face-to-face class, we will be moving quickly so it is imperative that you keep on top of things and not fall behind! Here is a daily “at-a-glance” calendar to help you plan and organize your F150 work schedule. Note that assignments are intended to be completed in the chronological order they are presented in (for example, you can’t expect to have a good conversation using new vocabulary until you have actually learned that new vocabulary!). Please PRINT THIS CALENDAR OUT and post it somewhere where you can easily see it.

Homework (MyFrenchLab and Canvas assignments) is due and must be submitted on the day indicated on the calendar by 11:59pm. With the exception of week one, **LATE HOMEWORK IS NOT ACCEPTED.**

For the first week only, there will be a **grace period**. You can submit your MFL homework by **Thursday, August 31st at 11:59pm**. However, starting with week 2, please submit the HW as per the deadlines you see on the syllabus and MFL calendar, since late submissions will not be accepted.

Homework due dates: Note that MFL due dates will NOT appear in your Canvas feed. Instead, you must access them via the My Lab and Mastering tab found on the lefthand side of our Canvas course site. All other assignments submitted for a grade, including Written Discussion Questions (DQs), Short Recorded Conversations with a peer, Compositions, Composition Rewrites, and the Culture Presentation WILL appear in your Canvas feed.

Calendar key:

- Online meeting days on Thursdays (shaded in light green)
- MyFrenchLab (MFL) online workbook exercises due on Saturdays and Mondays (except for the week of Fall Break) (shaded in orange)
- Canvas homework (Écrivons, Quizzes, Conversations, etc.) due on Wednesdays with comments for peers due on Saturdays (shaded in purple)
- Exams during Thursday class meetings (shaded in beige)

This “at-a-glance” calendar is chronological and gives you a daily view of pages to read and LEARN (!) as well as assignment topics and due dates. Note that weeks go from Thursday to Thursday.

This calendar is **subject to change**. Check email and Canvas regularly for updates.
